## IMMACULATE CONCEPTION PREPARATORY SCHOOL

## HOME AND SCHOOL ASSOCIATION

*Working together...  
striving for **Excellence**  
in our   
students and our  
school.*

## What is the Home and School Association (HSA)?

This is a group of dedicated parents and teachers who volunteer their time and energies to ensure that the interests of the students at Immaculate Conception Preparatory School (ICPS) are best served.

## What are the objectives of the HSA?

- To help parents and teachers acquire a profound appreciation of the ideals of a Christian education.
- To promote a clearer understanding of the mutual education responsibilities of parents and teachers, and encourage a greater degree of co-operation between home and school in discharging their responsibilities.
- To help parents in studying and promoting influences and methods best suited to make effective, the guidance and training of their children.
- Complement the efforts of the school in maintaining and improving the facilities, through fundraising activities and self help projects.

## Who are members of the HSA?

The parents or guardians of students currently registered at ICPS automatically become members of the HSA. Membership also extends to the school faculty.

## How is the HSA funded?

HSA dues are paid by members at the beginning of each term. There are also fundraising activities organized throughout the year by the HSA.

## What are the benefits of HSA involvement?

Years of research has proven that children do better when parents are involved both at home and at school. What's in it for you?

- ***Make your voice heard!***

You can influence important decisions, suggest new projects and voice your opinions on issues affecting your child.

- ***Make our school better!*** You can help improve school life for all students.
- ***Stay informed!*** You are up-to-date on what is going on at school.

## Opportunities to get involved...

The HSA supports the goals of the school through volunteer services. These cover a wide range of activities such as:

- Fundraising events to assist in funding annual school development projects.
- Teacher appreciation – organizing teacher's day events and other morale builders.
- School beautification – contributing to the upkeep of facilities.
