Here are some tips you can use for studying:
*Turn off the phone, TV, and other devices that are going to disturb you while studying.
*Listen to soft and calming music or other white noise (like the sound of the fan whirring).
*Take regular breaks, about 5 minutes every half hour.
*Study early (don't wait until the last minute!).
*Study the hardest things first and then move on to easier ones.
*Quiz yourself on what you just studied.
